

The Saucy Sisters Wine Experts with a *Twist*

Barbara Wichman Nowak and Beverly Wichman Pittman are siblings, best friends, barstool companions ... and wine experts with a down-to-earth sensibility.

In print and in person they bring their sense of humor – as well as their passion – to the subject of wine. Maybe that's why they've been called GrapeNuts!

Their quirky personalities were on display as hosts and producers of their radio show, *Sauced!*

While audiences love the sisters for their banter and *everywoman* perspective, they're equally respected as authors.

They've written *The Saucy Sisters' Guide To Wine*, *The Everything Wine Book*, *Best Places to Eat in Nashville* and *Cook It Right*.
